

USB 2.0 Hi-Speed A to Mini-B Coiled Cable (M/M), 3 ft.

MODEL NUMBER: **U030-003-COIL**

Description

The U030-003-COIL USB 2.0 Hi-Speed A to Mini-B Coiled Cable (M/M) connects your computer, laptop or other compatible USB-A device to a USB Mini-B mobile device. Ideal for digital cameras, MP3 players and smartphones with a 5-pin port, this three-foot cable supports data transfer rates up to 480 Mbps for both low- and high-speed devices, including multimedia applications.

The specially coiled cable takes up much less space than a regular three-foot cable. It also resists tangles and knots, making it convenient to store in your car or carry in your purse, backpack or laptop bag.

Premium foil and braid shielding delivers reliable, error-free signal quality and protection from EMI/RFI interference. Molded nickel-plated connectors ensure excellent conductivity. Integral strain relief ensures the cable and connectors last a long time. A rugged PVC jacket protects twisted 28 AWG data lines and 24 AWG power lines.

Features

Connect and Power Your Mobile Devices

- Ideal for digital cameras, MP3 players and smartphones with a 5-pin port
- Supports data transfer rates up to 480 Mbps
- Backward compatible with earlier USB generations

Coiled to Take Up Less Space than Regular 3 ft. Cable

- Resists tangles and knots
- Stores perfectly in car, purse, backpack or laptop bag

First-Rate Construction for Superior Signal Transfer

- Premium foil and braid shielding for EMI/RFI noise protection
- Molded nickel-plated connectors for optimal signal quality

Highlights

- Supports data transfer rates up to 480 Mbps
- Premium foil and braid shielding
- Molded nickel-plated connectors
- Twisted 28/24 AWG data/power lines
- 3 ft. cable is coiled to take up less space

System Requirements

- Device requiring USB cable with Mini-B 5-pin connector
- USB 2.0 performance only when used with USB 2.0 device and USB 2.0 controller

Package Includes

- U030-003-COIL USB 2.0 Hi-Speed A to Mini-B Coiled Cable (M/M), 3 ft.
